Welcome to Heretaunga College

We are a co-educational Year 9-13 college situated in Upper Hutt. Our facilities are modern with flexible teaching spaces that allow our teachers to design programmes that suit the students ever changing needs. Students are taught in mixed ability classes and we teach to their individual needs by building strong trusting relationships. These relationships spread out to the families and whānau so that we work in a triangle of the student, the family and the teacher.

Our relationships are grounded in our PRIDE values of Participation, Respect, Integrity, Determination and Empathy. Our senior students are role models and leaders for our junior students. We provide the students with many opportunities to work together and show these values throughout their time here at Heretaunga College.

Students here have opportunities to develop their academic, sporting and culturally abilities. We believe we are here to ensure students are motivated to achieve their best in what they do and that they leave Heretaunga College with everything they require for the next step in their lives.

We are happy to answer any questions you may have about Heretaunga College and welcome the opportunity to discuss individual needs with you personally. Please telephone the school office for an appointment on 04 939 9370. We look forward to welcoming you to Heretaunga College.
